

## IMPORTANT NOTICE

All Exhibitors planning to sell products at the Los Angeles Fitness Expo MUST hold a current California Reseller's Permit. Out-of-state Exhibitors should apply for a temporary permit.

Thank you!

## Frequently Asked Questions

### *Who must have a permit?*

You are generally required to obtain a California seller's permit if you sell or lease goods and merchandise in this state. You may apply for a temporary seller's permit if you make sales of a temporary nature (for one month or less). If you intend to make sales over a longer period of time, you should contact the Board and obtain an application for a regular seller's permit.

A seller's permit allows you to sell items at the wholesale or retail level. You cannot legally sell taxable items in California until you have been issued a seller's permit.

### *Do I need more than one permit?*

No. If you make temporary sales at more than one location, you must attach a list to your application that includes the address and the dates you will be selling for each location. This requirement applies to retailers as well as wholesalers.

### *Is there a charge for a permit?*

No. However, we may require a security deposit. Security deposits are used to cover any unpaid taxes that may be owed at the time a business closes.

### *Is information regarding my account subject to public disclosure?*

Your records are generally covered by state laws that protect your privacy. However, some records are subject to public disclosure, such as the information on your seller's permit, names of owners or partners, your business address, and your permit status. See also the disclosure information on the back page.

### *Why do you need to verify my driver license number?*

This is required to ensure the accuracy of the information provided and to protect you against fraudulent use of your identification.

### *What are my rights and responsibilities as a seller?*

When you obtain a seller's permit, you acquire certain rights and responsibilities. For example,

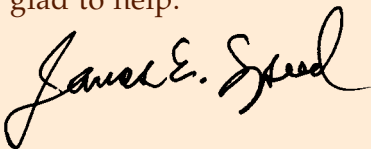

- **You may purchase property for resale without paying tax to your supplier.** By providing the vendor with a completed resale certificate, you are not required to pay sales tax on tangible personal property you purchase for resale. You cannot use a resale certificate to purchase property for your own use (even if you plan to sell the property after you have used it).
- **You must keep records** to substantiate your sales, deductions reported on your returns, and any purchases you have made for your business. You must keep your records for four years.
- **You must file a return** for your sales and purchases on or before the last day of the month following the close of your reporting period. You must file your tax return even if you have no tax to report.
- **You must pay the sales tax** due on your retail sales in California. However, you may be reimbursed by collecting the amount of tax from your customers.

## How Do I Apply for My Seller's Permit?

### Step 1: Complete Your Application

Fill out and return the application provided on page 5. The application is perforated to make it easy to remove. Be sure to refer to the "Tips" on page 4 as you complete your application. If you need assistance, please call our Information Center, 1-800-400-7115.

Be sure to provide all the information required for your permit. If you don't, the issuance of your permit may be delayed.

### Step 2: Send It in for Processing

If you have not been instructed where to return your application, you should send or take it to any field office (see page 4 for locations and telephone numbers). If you need a field office address, you can call the office, call our Information Center (1-800-400-7115), or visit our Internet site at [www.boe.ca.gov](http://www.boe.ca.gov). If you plan to travel to a field office, you should call ahead to find out when they are open.

Make a copy of your application for your files.

*Reminder:* You must have a seller's permit before you begin making sales that are subject to California sales and use tax. Consequently, you should let us know if you have an urgent need for a permit.

### Step 3: After Your Application Has Been Approved

You should receive your permit approximately two weeks after we have received your application, assuming your application is complete. There is no charge for the permit.

Based on the information on your application, you will be given regulations, forms, and other publications that may apply to your business.

When you receive your permit, you must post it at your place of business in a location that is easily seen by your customers.

You will also receive a tax return for reporting and paying the taxes due on your sales and purchases.

## Tips for Filling Out Your Application

### Section I: Ownership Information

#### Items 1-20:

**All sole or co-ownerships.** You must provide the information requested for each owner or co-owner (attach additional sheets if necessary).

**All partnerships.** Partnerships should provide a copy of their written partnership agreement, if one exists. If you file your agreement with us *at the time you apply for a permit* and your agreement specifies that all business assets are held *in the name of the partnership*, the law requires the Board to attempt to collect any delinquent tax liability from the partnership assets before it attempts to collect from the partners' personal assets.

**All corporations or LLCs.** Please include a copy of the articles or charter with your application. If you have incorporated/organized in another state, attach the authorization from California's Secretary of State. Remember to send the necessary documents to avoid a delay in the issuance of your permit.

#### Items 7,8,12,13,17,18: Driver License/Social Security Number

You must provide your social security number and driver license or California Identification Card number. You must also provide a photocopy of your driver license or California Identification Card. This information is kept in the strictest confidence.

### Section II: Business Information

#### Items 25-27: Name, Mailing Address, and Telephone Number of Contact Person

Please provide the name of the person responsible for filing tax returns.

#### Item 28: Name and Location of Bank or Other Financial Institution

If you do not have a business bank account, you may list your personal account.

### Section III: Selling Location and Event Information

#### Item 32: What Will You Sell?

Be specific. For example, rather than "general merchandise," list examples of the types of products you will sell — for example, Christmas trees, jewelry, purses, or automobile parts.

#### Line 33: Projected Sales

If you are unsure of the total sales you will make, please enter an estimated amount.

### Certification

This section *must* be signed by the owner or, in the case of a partnership or co-ownership, by each partner or co-owner. If you are a corporation, this section must be signed by a corporate officer or his or her authorized representative.

For this relief to apply, your request for advice must be in writing, identify the taxpayer to whom the advice applies, and fully describe the facts and circumstances of the transaction.

Send your request for written advice to the following address: Public Information and Administration Section, MIC:44; State Board of Equalization; P.O. Box 942879; Sacramento, CA 94279-0044.
